

# Contents

## Section I

Overview	
1. 4-Digit Numbers	6
2. Addition and Subtraction	8
3. Multiplication	12
4. Division	16
5. More about Multiplication and Division	20
Midway Review	22
6. Measurement	26
7. Money	28
8. Fractions and Decimals	32
9. Graphs	36
10. Probability	40
Final Review	42

## Section II

Overview	
1. Introducing Multiplication	48
2. Multiplying by 2 or 5	52
3. Multiplying by 3 or 4	56
4. Multiplying by 6 or 7	60
5. Multiplication Facts to 49	64
6. Multiplying by 8, 9, 0, or 1	68
7. More Multiplying	72
8. Introducing Division	76
Midway Review	80
9. Multiplication and Division Fact Families	84
10. Dividing by 1, 2, or 3	88
11. Dividing by 4 or 5	92
12. Dividing by 6 or 7	96
13. Dividing by 8 or 9	100
14. Division with Remainders	104
15. More Dividing	108
16. More Multiplying and Dividing	112
Final Review	116

## Section III

Overview	
1. Multiples	122
2. Brackets	126

3.	Addition and Subtraction .....	128
4.	Multiplication .....	130
5.	Division .....	134
6.	Length .....	138
7.	Time .....	140
8.	Triangles .....	142
9.	Perimeter .....	144
10.	Bar Graphs .....	146
11.	5-Digit Numbers .....	148
	Midway Review .....	150
12.	Factors .....	156
13.	More about Division .....	160
14.	Mixed Operations .....	164
15.	Money .....	166
16.	Fractions .....	170
17.	Capacity .....	174
18.	Shapes .....	176
19.	Prisms and Pyramids .....	178
20.	Bar Graphs and Circle Graphs .....	180
21.	Transformations and Grid .....	184
	Final Review .....	186

### Section IV

	Overview	
1.	Numeration .....	194
2.	Addition and Subtraction .....	196
3.	Multiplication .....	200
4.	Division .....	204
5.	Fractions .....	208
6.	Money .....	212
	Midway Review .....	216
7.	Capacity and Mass .....	220
8.	Length .....	224
9.	Patterns .....	228
10.	Geometry .....	232
11.	Pictographs .....	236
12.	Bar Graphs .....	238
	Final Review .....	240

<b>Parents' Guide</b> .....	245
<b>Answers</b> .....	249
