A "k" at the beginning of some words is silent. Complete this very silly poem by adding a "k".

A _night was _nitting
Some armour for his _needs.
There was a _nock at the door
Made by _nuckles of bees.

Upon grabbing the _nob
Of his _notty wooden door
He _new that the bees
Had tricked him once more.

So standing in his _nickers
And his _nee high dragon socks
He watched the bees fleeing
And he shouted
"No more _nocks!"

Read the silly poem out loud.
